### High level canal of Ghataprabha Project

617. SRI A. B. BEDGE (Sadalga).—Will the Chief Minister be pleased to state.—

(a) when the Ghataprabha high level canal work will be completed in Chikodi Taluk, Belgaum District;

(b) the number of villages in the taluk that would be benefitted by this canal and the extent of land that would come under irrigation;

(c) the state at which the canal work stands at present ?

SRI D. DEVARAJ URS (Chief Minister).—

(a) The Ghataprabha high level canal is called as Chikodi sub-canal. This canal work in Chikodi taluk is expected to be completed by 1982-83.

(b) This Chikodi sub-canal provides irrigation facilities to 32 villages of Chikodi taluk. From this canal 33,400 acres in Chikodi taluk get irrigation facilities.

(c) The length of the Chikodi sub-canal is 86 k. m. out of which the digging work of 35 k. m. length is in progress. About 134 Road Bridges aqueducts super passage culverts and 3.315 k.m. length tunnel passage will have to be constructed to the said canal. The cause way work is started in respect of Ghataprabha and Hiranyakesi aqueducts. The tenders for the construction of tunnel work near Kabbur have been received and are under consideration. The survey work will have to be conducted in respect of 45 k, m. length of sub-canal and about 36,400 acres of land that would come under irrigation,
